RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 472.

DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024.
- On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- In accordance with recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- City staff are now moving forward with LUCs to be terminated, in accordance with the approved process described in Corporate Report No. R122, which prioritizes based on business development or the simplicity of the termination.
- LUC No. 472 was adopted by By-law No. 5662 on January 2, 1979.
- LUC No. 472 permits single family residential uses and customary accessory uses.
- Once LUC No. 472 is terminated and the one-year grace period ends, the current underlying “One-Acre Residential Zone (RA)” and “Half-Acre Residential Gross Density Zone (RH-G)” will come into effect and will regulate the subject lots.
- It is now in order for LUC No. 472 to be considered for early termination.

RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 472 and a date be set for Public Hearing.

BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey, which prioritizes based on business development or the simplicity of the termination.
- As a result, City staff are now moving forward with the termination of LUC No. 472 in accordance with the approved process.

PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 472, informing them that Council is considering terminating the LUC. Notice of the Public Hearing will also be delivered to adjoining property owners and tenants within 100 metres (or 3-lot depth, whichever is greater) of the boundaries of LUC No. 472. In addition, the Public Hearing notice will be published in two consecutive issues of the Peace Arch News.

DISCUSSION

- LUC No.472 was adopted by LUC Authorization By-law, 1978, No. 5662, on January 2, 1979.
- LUC No. 472 currently regulates 159 single family lots and four lots owned by the City of Surrey used for park purposes. The subject lands are located in South Surrey, between 16 Avenue and 20 Avenue, at 132 Street (Amble Greene Drive).
- The subject area is designated Suburban under the Official Community Plan (OCP). The northern half of the subject area has an underlying “One-Acre Residential Zone (RA)”, while the southern half of the subject area has an underlying “Half-Acre Residential Gross Density Zone (RH-G)” under Surrey Zoning By-law, 1993, No. 12000, as amended.
- The subject area is bordered to the north, east, south and west by single family dwellings, as well as by Laronde School and park which are situated along the western boundary of the subject area.
- LUC No. 472 permits single family residential uses and customary accessory uses.
- LUC No. 472 permitted the original site to be subdivided into a maximum of 159 single family lots and two lots that was to be transferred to the City for park purposes. The northern portion of the subject area was subdivided under Plan 61255, while the southern portion of the subject area was subdivided under Plan Nos. 56614, 59529 and 64864.
- At the time of subdivision, 4 lots, rather than 2, were created and transferred to the City for park and detention pond purposes.
- In accordance with the recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.
- Once LUC No. 472 is terminated and the one-year grace period ends, the current underlying “One-Acre Residential Zone (RA)” and “Half-Acre Residential Gross Density Zone (RH-G)” will come into effect and will regulate the use of the land.
- The “One-Acre Residential Zone (RA)” permits single family dwellings, including one secondary suite, hobby kennels and agricultural and horticultural uses.
- The “Half-Acre Residential Gross Density Zone (RH-G)” permits single family dwellings, including one secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
- Two properties that were not originally part of LUC No. 472 have been included through subdivision over time. The southeast portion of the Laronde Elementary School site at 1880 Laronde Drive was included under Subdivision Plan No. 61073. The effect of this is that the property is now split designated with the southeast portion of the site included in LUC No. 472.
- Similarly Subdivision Plan No. 64864 consolidated a piece of land that was originally part of LUC No. 472 with a lot (1647 Amble Green Drive) that was not included. The proposed Termination By-law would remove LUC No. 472 for both lots.
