RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 569.

DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024.
- On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- In accordance with recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- City staff are now moving forward with LUCs to be terminated, in accordance with the approved process described in Corporate Report No. R122, which prioritizes based on business development or the simplicity of the termination.
- LUC No. 569 was adopted by LUC Authorization By-law No. 5706 on December 20, 1978 and amended by By-law No. 7572 on June 13, 1983.
- LUC No. 569 permits single family residential dwellings and customary accessory uses thereto.
- Once LUC No. 569 is terminated and the one-year grace period ends, the current underlying “Half-Acre Residential Gross Density Zone” (RH-G) and “Acreage Residential Gross Density Zone” (RA-G) will come into effect and will regulate the subject lots.
- It is now in order for LUC No. 569 to be considered for early termination.

RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 569 and a date be set for Public Hearing.

BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey, which prioritizes based on business development or the simplicity of the termination.
- As a result, City staff are now moving forward with the termination of LUC No. 569 in accordance with the approved process.

PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 569, informing them that Council is considering terminating the LUC. Notice of the Public Hearing will also be delivered to adjoining property owners and tenants within 100 metres (or 3-lot depth, whichever is greater) of the boundaries of LUC No. 569. In addition, the Public Hearing notice will be published in two consecutive issues of the Peace Arch News.

DISCUSSION

- LUC No. 569 was adopted by LUC Authorization By-law No. 5706 on December 20, 1978 and amended by By-law No. 7572 on June 13, 1983.
- LUC No. 569 regulates 151 single family lots and 9 City owned lots in various sections of the Sullivan Heights area between 152 Street and 156 Street and from 56 Avenue (Highway 10) to 62A Avenue.
- The subject area is designated Suburban under the Official Community Plan (OCP).
- A total of 143 single family lots and the 9 City owned lots regulated by LUC No. 569 have an underlying “Half-Acre Residential Gross Density Zone” (RH-G), while 8 single family lots along Kilkenny Drive regulated by LUC No. 569 have an underlying “Acreage Residential Gross Density Zone” (RA-G) under Surrey Zoning By-law, 1993, No. 12000, as amended.
- The lands regulated by LUC No. 569 are located in two, large, non-contiguous blocks of land.
- The northerly block of land is bordered to the south by single family dwellings, to the west (across 152 Street) by townhouse developments and to the north and east by Sullivan Park. There is a detention pond at the north-east corner of the block.
- The southerly block of land is bordered to the north by single family dwellings, to the east by single family dwellings and agricultural lands within the ALR, to the south by agricultural lands within the ARL, and to the west by single family dwellings, townhouses and a large commercial development.
- LUC No. 569 permits single family dwellings and customary uses thereto.
- LUC No. 569 permitted the original site to be subdivided into single family lots and a number of lots that were to be transferred to the City for municipal purposes.
- Currently, a total of 148 single family lots are regulated by LUC No. 569. Due to the road pattern and subsequent subdivisions, 3 lots along Kilmore Court are partially regulated by, LUC No. 569.
- LUC No. 569 was discharged from one lot that was originally created under, and regulated by LUC No. 569. This lot was subsequently subdivided into two single family lots, 5639 and 5629 Kilmore Crest West.
- In accordance with the recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.
- Once LUC No. 569 is terminated and the one-year grace period ends, the current underlying RH-G Zone and RA-G Zone will come into effect and will regulate the use of the lands.
- The RH-G Zone permits single family dwellings, including one secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
- The RA-G Zone permits single family dwellings, including one secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
