RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 349.

DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024.
- On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- LUC No. 349 was adopted by Authorization By-law No. 5297 on November 21, 1977.
- LUC No. 349 permits residential single family and customary accessory uses.
- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- Once LUC No. 349 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Gross Density Zone (RF-G)" will automatically come into effect and will regulate the 71 subject lots.
- The "Single Family Residential Gross Density Zone (RF-G)" permits single family dwellings, including one secondary suite.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.

RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 349 and a date be set for Public Hearing.

BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey.
- As a result, City staff are moving forward with the termination of LUC No. 349 in accordance with the approved process.

PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 349, informing them that Council is considering terminating the LUC. In addition, the Public Hearing notice will be published in two consecutive issues of the Surrey Now.

DISCUSSION

- LUC No. 349 was adopted by Authorization By-law No. 5297 on November 21, 1977.
- LUC No. 349 regulates 71 lots. The subject area is located in Newton, between 72 Avenue and 73 Avenue, and 129 Street and 129B Street.
- The subject area is designated Urban under the Official Community Plan (OCP) and has an underlying "Single Family Residential Gross Density Zone (RF-G)" under Surrey Zoning By-law, 1993, No. 12000, as amended.
- LUC No. 349 permits residential single family and customary accessory uses.
- LUC No. 349 permitted the original subject area to be subdivided into 70 lots; 69 single family residential lots and one (1) City owned lot used for park purposes. Ultimately, 71 lots were created under Subdivision Plan No. 54007 on January 4, 1978.
- The portion of Parkwood Village Park regulated by LUC No. 349 will remain as City parkland.
- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.

- Once LUC No. 349 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Gross Density Zone (RF-G)" will come into effect and will regulate the use of the land.
- The "Single Family Residential Gross Density Zone (RF-G)" permits single family dwellings, including one secondary suite.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.
