

### RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 97.

### DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

### RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024.
- On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- LUC No. 97 was adopted by Authorization By-law No. 5013 on January 31, 1977.
- LUC No. 97 permits residential single family dwellings and customary permitted accessory uses.
- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- Once LUC No. 97 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Gross Density Zone (RF-G)" will automatically come into effect and will regulate the majority of the subject lots, with the exception of 7655 and 7630 - 143 Street which have underlying "Single Family Residential Zone (RF)".
- The "Single Family Residential Zone (RF)" permits single family dwellings, including one secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
- The "Single Family Residential Gross Density Zone (RF-G)" permits single family dwellings, including one secondary suite.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.

## RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 97 and a date be set for Public Hearing.

## BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey.
- As a result, City staff are moving forward with the termination of LUC No. 97 in accordance with the approved process.

## PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 97, informing them that Council is considering terminating the LUC. In addition, the Public Hearing notice will be published in two consecutive issues of the Surrey Now.

DISCUSSION

- LUC No. 97 was adopted by Authorization By-law No. 5013 on January 31, 1977.
- LUC No. 97 regulates 35 lots. The subject area is located in Newton, between 75A Avenue and 77 Avenue, and 142 Street and 144 Street.
- The subject area is designated Urban under the Official Community Plan (OCP) and has an underlying "Single Family Residential Zone (RF)" on civic addresses 7655 and 7630 - 143 Street and "Single Family Residential Gross Density Zone (RF-G)" on the remaining single family residential and City owned park lots.
- LUC No. 97 permits residential single family dwellings and customary permitted accessory uses.
- LUC No. 97 permitted the original subject area to be subdivided into 34 single family residential lots and two (2) City owned lots to be used for park purposes. At the time of subdivision 34 single family residential lots and two (2) City lots were created under Subdivision Plan Nos. 52334 and 52335 on April 22, 1977. One (1) single family residential lot was added to the LUC area through subdivision with a neighbouring parcel to the north under Subdivision Plan No. 72295 on July 16, 1986. Subsequently, two (2) single family residential lots were removed from the LUC area by Partial Termination By-law Nos. 15016 and 15643 on March 12, 2007 and July 25, 2005 respectively.

- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.
- Once LUC No. 97 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Zone (RF)" and "Single Family Residential Gross Density Zone (RF-G)" will come into effect and will regulate the use of the land.
- The "Single Family Residential Zone (RF)" permits single family dwellings, including one secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
- The "Single Family Residential Gross Density Zone (RF-G)" permits single family dwellings, including one secondary suite.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.
