RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 235.

DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024. On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- LUC No. 235 was adopted by Authorization By-law, 1976, No. 4861 on August 9, 1976. Subsequently, one (1) lot (Lot 312 Plan 51676) was discharged by Partial Discharge By-law, 2004, No. 15575 on September 25, 2006 in order to rezone from RF to CD By-law No. 15576 (based on RM-15) to permit the development of 11 townhouse units. Another one (1) lot (Lot 263 Plan 51676) was discharged by Partial Discharge By-law, 2012, No. 17671 on July 29, 2013 in order to rezone from RF to CD By-law No. 17612 (based on C-5 and RM-30) to permit the development of a three-storey mixed used building.
- Eight lots (12836, 12857 and 12910 - Carluke Crescent, 8898 and 8899 - Greenock Place, and 8903 and 8904 - Jedburgh Place and 8905 - Queen Mary Boulevard) are currently regulated by both LUC No. 235 and LUC No. 154 and these lots will appear in both LUC Termination By-laws (see Application No. 7916-0590-00).
- LUC No. 235 permits single family and customary accessory uses only.
- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- Once LUC No. 235 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Zone (RF)" will automatically come into effect and will regulate the 70 single family lots.
- The "Single Family Residential Zone (RF)" permits a single family dwelling, including one (1) secondary suite, as well as a bed and breakfast operation and the keeping of boarders and lodgers as accessory uses.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.

RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 235 and a date be set for Public Hearing.

BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey. Over half of the LUCs in Surrey have now been presented to Council for early termination.
- As a result, City staff are moving forward with the termination of LUC No. 235 in accordance with the approved process.

PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 235, informing them that Council is considering terminating the LUC. In addition, the Public Hearing notice will be published in two consecutive issues of the Surrey Now.

DISCUSSION

- LUC No. 235 was adopted by Authorization By-law, 1976, No. 4861 on August 9, 1976. Subsequently, one (1) lot (Lot 312 Plan 51676) was discharged by Partial Discharge By-law, 2004, No. 15575 on September 25, 2006 in order to rezone from RF to CD By-law No. 15576 (based on RM-15) to permit the development of 11 townhouse units. Another one (1) lot (Lot 263 Plan 51676) was discharged by Partial Discharge By-law, 2012, No. 17671 on July 29, 2013 in order to rezone from RF to CD By-law No. 17612 (based on C-5 and RM-30) to permit the development of a three-storey mixed used building.
- LUC No. 235 currently regulates 70 single family lots in Whalley, generally between 88 Avenue and Carluke Crescent and 128 Street and Queen Mary Boulevard.
- The subject area is designated "Urban" in the Official Community Plan (OCP) with an underlying "Single Family Residential Zone (RF)" under Surrey Zoning By-law, 1993, No. 12000, as amended.
- LUC No. 235 permits single family and customary accessory uses only.

- LUC No. 235 permitted the original site to be subdivided into 64 full-sized and seven (7) undersized lots which were to be consolidated with undersized lots from an adjacent subdivision to the south-east (LUC No. 154), for a maximum of 72 single family lots. The subject lots were created by Subdivision Plan No. 51676 on January 6, 1977. The seven (7) undersized lots were consolidated and created by several Plans of Subdivision in August 1979. Subsequently, one (1) lot (Lot 312 Plan 51676) was discharged by Partial Discharge By-law, 2004, No. 15575 on September 25, 2006 in order to rezone from RF to CD By-law No. 15576 (based on RM-15) to permit the development of 11 townhouse units. Another lot (Lot 263 Plan 51676) was discharged by Partial Discharge By-law, 2012, No. 17671 on July 29, 2013 in order to rezone from RF to CD By-law No. 17672 (based on C-5 and RM-30) to permit the development of a three-storey mixed used building.
- There are currently 70 single family lots regulated by LUC No. 235.
- Eight lots (12836, 12857 and 12910 - Carluke Crescent, 8898 and 8899 - Greenock Place, and 8903 and 8904 - Jedburgh Place and 8905 - Queen Mary Boulevard) are currently regulated by both LUC No. 235 and LUC No. 154 and these lots will appear in both LUC Termination By-laws (see Application No. 7916-0590-00).
- In accordance with the legislation, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.
- Once LUC No. 235 is terminated and the one-year grace period ends, the current underlying "Single Family Residential Zone (RF)" will come into effect and will regulate the 70 single family lots.
- The "Single Family Residential Zone (RF)" permits a single family dwelling, including one (1) secondary suite, as well as a bed and breakfast operation and the keeping of boarders or lodgers as accessory uses.
- If the land owner feels that the termination of the LUC will cause undue hardship, the property owner has the right to appeal to the City's Board of Variance (BOV). The application to the BOV must be received by the BOV within 6 months after the LUC Termination By-law has been adopted by City Council.
